WELCOME!

OneClickdigital offers an easy way to access eBooks and eAudio from your library. Follow these instructions to use the service with your mobile devices.

Getting Started

- 1 Go to your library's OneClickdigital site and create a OneClickdigital username and password by selecting **REGISTER** at the top right (or proceed to step 2 if you already have a OneClickdigital account).

- 2 Search in your device's app store and download the free OneClickdigital app.

- 3 After installing the app, select **OPEN** from the app store or select the app icon from your device screen.
- 4 Log in to your app with the username/ email and password used to create your OneClickdigital account. Select your country, state/province, and library name.

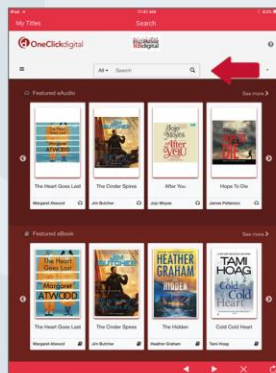

Welcome to the OneClickdigital App!

- 1 After logging in to the app, you will see the OneClickdigital App Tutorial. Swipe left to view the short tutorial. (You will have the option to skip the tutorial on return visits.)
- 2 When finished, click **GET STARTED** to begin using the app.

Checking Out Titles

- 1 If you currently have eBooks or eAudio titles checked out, they will appear on the **MY TITLES** screen with the number of days left on each checkout.
- 2 To check out a title, click the **SEARCH** icon. You can search by title, author, keyword, genre, and narrator (for eAudio).

Search Titles and Formats

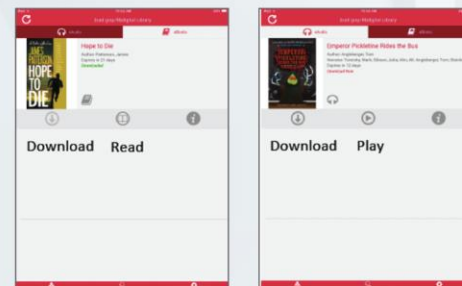

Check Out eAudio

Check Out eBook

- 3 Once you've made your selection, click **CHECKOUT NOW**. This title will now show up on your **MY TITLES** page.

Reading eBooks and Listening to eAudio

- 1 On your **MY TITLES** screen, click the tab for eBooks or eAudio.
- 2 Select the **INFORMATION** icon to get information on your checked-out book and to **RENEW/RETURN** and update **SETTINGS**.
- 3 Select the **DOWNLOAD** icon and then select the **READ** icon for eBooks or **PLAY** icon for eAudio.

- 4 In Read or Play mode, select the **SETTINGS** icon to update your reading/ listening preferences.

Happy listening!

The OneClickdigital app is available for most Android™, Apple®, and Kindle™ devices. Apple devices require OS 2.3.3 or later.

- 1 Don't have a mobile device? Read or listen to your book online in your Internet-enabled browser or download the eAudio to an MP3 or portable device using the OneClickdigital Media Manager.
