Mobile Printing Now Available at Main

With our new MobilePrint Service™, you can use your personal computer or mobile device to print to the library's printers from anywhere. Simply submit documents for printing and come to the library to release and pick up your document using your email address.

>> Printing costs are: 10 cents per page for B&W and 25 cents per page for color. <<

How to print from a laptop/desktop computer or mobile browser:

- Begin by visiting yumalibrary.org/wireless-printing.
- Scroll down to the "Email" section, and click on **Main Library–black & white** or **Main Library–color**, then enter your email address.
- Click "**Browse**" to find and select the file you wish to print from your computer/device.
- Click the green print icon (you will then see the status of your print job and a reference number).
- At the Print Release Station in the library, select "Release a Print Job".
- Enter the email address you supplied and select your print job.

Your print job will be printed!
